Mark your calendars!!!

Greetings to all!

Believe it or not, this year when we all gather at our reunion site near Mammoth Spring, AR we will be rejoicing and celebrating our 40th Annual Farrar Family Reunion June 18th - 24th!

We have come a long way in the last 40 years starting with our very first in Smithton, IL at cousin Jill's home in 1978 with 32 family members present! Our second reunion was held near Dripping Springs, TX at Jean (Farrar) Hite's home and all subsequent 38 reunions held here in Arkansas with a few rendezvous at various places thrown in. Our reunion site has certainly flourished from the bare site that existed the week before the reunion in 1980. Bob & J.V. arrived early and worked on 4 major projects. Two out houses, a shower and a fire pit. In the early planning stages, it was decided to clear a place for "tent city" and at the very end of the week, a school bus was purchased by our patriarch Joseph V. Farrar, Sr. and brought in by a wrecker which would eventually be converted into our kitchen. Over the 40 years we have maintained an average attendance of 42 which is pretty good in my book!!!!

Our site looks vastly different now, we have water, electricity (generator), large fans and propane cookstoves although we still are comfortable grilling on our concrete grill (though it is a little small!) Our Flagpole, larger fire pit, playground area, basketball court (grass) and our wonderful volleyball court all add to the entertainment and charm of our boondock camp site. So please, start making your plans, reserving motels and taking vacation time so we all can enjoy this special family time together - you will have a blast!!!!

We do have a couple business items to inform everyone about. First, Bob sold his land to our north and east so please honor the boundaries of this new owner and do not park or put your camper anywhere on the road past the pavilion. Which sadly also means that the lake is no longer ours to use. But cheer up, there is still the small creek nearby and the Spring River just a few miles away!!

We also need to discuss an easement for property north and west of us which is land locked. This property owner has gained access to their property using our road for the last 38 years, in the case that said property may eventually change hands, we need to be ready to handle that situation. This is also notice that we may need to change or amend our By-Laws and have to give notice for that. Our business meeting will take place on Sunday June 18th.

I hope everyone will try their best to be in Arkansas in June for the reunion, there will be special games and entertainment for all ages, plus we will be trying to break our attendance record of 88 set back at our 25th in 2012!! See you there!!

Nancee (Farrar) Lehnhoff, President, Farrar Family Reunion, Inc.

Jean Elizabeth (Farrar) Hite

Our sister (mother, grandmother, aunt, friend), went to her heavenly reward on September 23, 2016. Jean had a massive stroke the day before while playing cards at the Hardy Senior Citizen's Center in Hardy, Arkansas. She was air-lifted to UAMS (University of Arkansas for Medical Sciences) where they kept her on life support for a period of time. Jean was 83 years old.

Jean was preceded in death by her husband A.W. Hite and her sons Kendal and Kevin. She is survived by her daughter Karen Jones and by grandchildren Stephanie (Jones) Fourtune, "Buck" Jones, Ben Jones, Athalia Hite and Keita Hite and great-grandchildren. She was also preceded in death by her brothers Joseph Vernon Farrar, Jr. and William Harold Farrar, Sr. and her sister Barbara Lee (Farrar) Williams.

Jean was a Texan!! She lived in that great state from the time that she graduated from high school and the summer of 2015 when she moved to Hardy to be closer to her sister Marleen and brother Bob and to be close to the Farrar Reunion site. She looked forward to the annual reunion with great anticipation each year but the long drive was getting to be too much. She got to enjoy only one reunion without that long drive. But she did miss Texas!!

The best description of Jean is that she was a woman of patterns and routines. She loved the simple life with very definite routines - early to bed and early to rise. She got up each morning no later that 4:00am to read the Bible and other devotional readings. She was an equisite quilter. She loved her tiny Chihuahua dogs and was never without one. Selena, her last Chihuahua, is now living happily with her sister and brother-in-law Marleen & Chuck Bayes in Hardy. Jean loved playing cards. She was also the one who created party games each year for her quilting group's Christmas party.

Jean's life verse was 1st Thessalonians 4:11. *"that you also aspire to lead a quiet life to mind your own business and to work with your own hands, as we commanded you."*. So appropriate.

Jean was a true Christian believer, a quilter, a card player, a loyal friend, a Farrar!! A Chihuahua lover, a cake decorator, a schedule keeper, and a beautiful person. She is missed but because we know that her faith was sure, we can know that she is with God awaiting The Day when she will receiver her eternal rewards.

We will have a time of remembrance for Jean at our 2017 reunion. If you have pictures of her that you want to share, please bring them to the reunion. There will be a poster board for display and then you can retrieve you pictures. The Farrar Reunion was the highlight of Jean's year and the one in 2017 is a big one for us - our 40th - so please come and have a wonderful time. She would be pleased if you do

The Farrar Family Tree

This tree will function alone or as a great companion to the Farrar Island books. A 3 'x 5 ' scroll, on white paper, in black ink, non-fading easlily readable, begins three generations into England, over the ocean to Jamestown and our immigrant grandparents, William & Cecily, and then follows our particular line through each generation to Joseph V. & Viola L. (Schwend) Farrar, Sr. and their 10 children. The Farrar Family Tree is \$25.00 per copy. There is now a second tree available, this tree is a companion to the Original family tree that descends from Joseph V. & Viola L.(Schwend) Farrar, Sr. and had to be initiated because we ran out of room on the original tree. This second tree is a computerized version soon to be adapted to a paper tree. Because of the detailed personal information on this tree, it will only be available to the immediate family. Cost for the paper version for this tree will soon be determined.
