Check in at 1:00 PM (earlier if space allows).	Check out time is 12:00 Noon (later only if authorized beforehand).
The park's speed limit is 5 MPH (please keep vehicles on the hard surfaces).	Quiet hours are from 9:00 PM to 8:00 AM (please, no noise that would disturb others who may be sleeping)
The posted rate is for up to four (4) people; \$2.00 per day extra for each additional person.	Pets are allowed. Large or dangerous breeds such as Pit Bulls or Rottweilers are not. (rules regarding pets strictly enforced)
We do not provide restrooms or shower facilities and therefore allow only self-contained RVs in our spaces.	
Campers maintain their own liability and replacement insurance on RVs or vehicles. We are not responsible for losses due to accident, weather, wind (falling limbs or branches), water or the wrongful actions of others.	

## These rules are enforced to ensure that all campers have a pleasant & relaxing visit:

1. You may park any combination of personal and off-road vehicles within your registered space, as long as it does not interfere with neighbors or block the driveway. Otherwise, personal vehicles will be directed to alternate parking and off-road vehicles and utility trailers to the fenced yard area (see camp host).
2. Be respectful of other camper's space, comfort and privacy. Keep the noise at a respectful level; especially during quiet hours (I.e. loud conversations, loud music or TV). Do not run off-road vehicles through the park except to and from your site or storage area. Do not operate any generators. Do not run your RV engine unnecessarily.
3. We allow pets, but do not leave dogs unattended (inside or outside). Carry or keep pets on a leash while outside (both dogs and cats). There are loose dogs outside the park that may roam through, so this rule is necessary to prevent potential animal fights. Please do not allow your pets on the grassy areas **except for the designated dog-walk (see camp host)**. Be sure to pick up after your pet. Owners are responsible for any potential destruction or injury caused by their pet(s) and must have liability insurance that covers them. Please, no barking, yapping, annoying, aggressive or destructive dogs. We reserve the right to refund payment and ask the offending pet owner to leave.
4. Changing oil or other maintenance, repair of vehicles (including off road vehicles) is prohibited on this property. Do not wash RVs or personal vehicles at your site. There is a hose inside the fenced yard (see camp host) to rinse the mud and dirt from off-road vehicles. Please don't run the water unnecessarily. There is a self serve car wash located in Marysville 15 miles north.
5. Parents (or guardians) are responsible for the behavior and safety of the children in their care at all times. Please monitor your children's activities. They must not be allowed to disturb other campers or play in occupied camping spaces.
6. Must employ approved sewer connectors and be watertight between RV sewer outlet and sewer riser (Utah 392.301.4.3.4)
7. Any refunds will be made by check or other transfer from our bank. The camp host does not keep cash on hand.

We reserve the right to make any changes in the rules, regulations and fees as necessary. Your cooperation is appreciated.
